After a two year hiatus we're playing at Kimo's (1351 Polk St. in SF) on Tuesday (10/6/09) and Flux 53 (5306 Foothill Blvd. in Oakland) on Friday (10/9/09). Doors open at 9pm for both gigs. <http://www.myspace.com/tribeofshadows> (official demo) <http://www.myspace.com/sparx832> (lo-fi practice space recordings of other songs - actually, more of my personal favorites are found on this site) Please note that all of the above recordings were made with our ex-drummer. We have no recordings yet with Tim. Thanks for the support! -Sparx

Out & About

Good Luck to everybody!

Chris Rocket writes,
That faint chill in the air means it's cyclocross season. The fall series opens this Sunday, Oct 5 at McLaren Park. Check <http://pilarcitos.com/2009CrossLaunch.htm> for the schedule. Then it goes like this: oct 25, coyote point, san mateo. nov 14, night race, sierra point. nov 29, golden gate park and district championships. dec 6 coyote point, series finals. All races open to the public, but require \$10 USA Cycling day license or \$60 yearly license. The most fun you can have with your pants on.
